80164774

Push-button 4gang, lab. field, + RGB LED, internal temp. sensor, KNX - K.5, al.

Technical characteristics

Architecture

Fixing mode	flush-mounting

Dimensions

Height	25 mm
Width	66.8 mm

Power

Power consumption, KNX	≈ 150 mW

Materials

Material	thermoplastic

Accessories included

Inscribable, with labelling field	Yes

Safety

Protection index IP	IP20

Use conditions

Operating temperature	-5...45 °C
