

Backbox accessory for Surface BESA detectors

Technical Characteristics

Type of pole	
Fixing mode	surface-mounting
Frequency	
Type of supply voltage	
Max. transmission range	
Door locking	
Supply voltage	
Colour	RAL 9010
RAL colour number	
Material	
Material	
Surface appearance	
Type of surface treatment	
Tightening torque	
Mounting type	
Connection cross-sect. flexible conductor	
Connection cross-sect. rigid cable	
Type of connection	
Time delayed range	
Type of accessory	
Type of display	
Can be accessorized	No
European directive WEEE	
Protection index IP	
Protection class	
Designation syntax: Main application	
Designation syntax: Core designation/function
