

EER515

**Motion detector corridor 360° surface mounted NO contact detection 5x30m**

**Technical characteristics**

**Architecture**

Fixing mode surface-mounting

**Main electrical features**

Frequency 50/60 Hz

**Detection**

Detection angle 360 °

**Materials**

RAL colour RAL 9010 - Pure white

Material plastic

Type of surface treatment untreated

**Installation, mounting**

Maximum Mounting Height 2.5 m
