

HR523

EARTH LEAKAGE RELAY 0.5-30A TIME DELAY 50% LED

Technical characteristics

Electric current

500 mA, 1000 mA, 3000 mA, 5000 mA, 10000 mA, 20000 mA, 30000 mA	
Rated residual operating current IΔn	
Toroid's: Allowed overload	
	30 kA/100 ms

Equipment

With earth leakage toroid	Yes
---------------------------	-----

Safety

Residual current type	A
-----------------------	---

Dimensions

Maximum connection distance between receiver and transmitter	25 m und 50 m twisted pair
---	----------------------------
