

JFG420U

## Enclosed Fuse combin. switch TPSN 200A

### Technical characteristics

#### Electric current

Rated current	100 A
---------------	-------

#### Architecture

Number of poles	4
Control/operation element	Long rotary handle

#### Voltage

Rated insulation voltage $U_i$	800 V
--------------------------------	-------

#### Safety

Ingress Protection (IP) class	IP41
-------------------------------	------

#### Fuse

Fuse size	B2
-----------	----

#### Dimensions

Height	500 mm
Width	375 mm
