

LF310PV

PV Fuse-link 10x38 mm 1000V DC 10A

Technical characteristics

Fuse

Fuse characteristics	gPV
Fuse size	10.3 x 38

Electric current

Rated current	10 A
---------------	------

Power

Total power loss under IN	2.58 W
---------------------------	--------

Main electrical attributes

Rated short-circuit breaking capacity Icn AC according to IEC 60898-1	30 kA
---	-------

Voltage

Type voltage supply	DC
Nominal voltage	1,000 - 1,000 V
