

TG053A

IP44

Weather station KNX GPS

Technical characteristics

Functions

Function	Measuring of precipitation, temperature, wind, brightness ; with 8 logical AND- and OR-logic functions
----------	--

Dimensions

Dimensions (LLxwxhh)	77x96 x118mm
----------------------	--------------

Lighting control

Brightness measurement range	0 / 150000 Lux
------------------------------	----------------

Connection

Type of connection	with plug-in terminals for power supply
--------------------	---

Settings

Setting	delay times and hysteresis adjustable
---------	---------------------------------------

Safety

Protection index IP	IP44
---------------------	------

Use conditions

Operating temperature	-30...50 °C
-----------------------	-------------
