

TH210

Router IP/KNX

Technical characteristics

Architecture

Bus system	KNX
Fixing mode	Din-Rail

Connectivity

Bus system radio frequent	No
---------------------------	----

Electric current

Bus consumption	10 mA
-----------------	-------

Materials

RAL colour	RAL 7035 - Light grey
Material	plastic

Safety

Protection index IP	IP20
---------------------	------

Use conditions

Operating temperature	-5...45 °C
-----------------------	------------
