

TX502

### Valve actuator KNX with temperature control + 2 reserve inputs

#### Technical characteristics

##### Architecture

Bus system	EIB
Fixing mode	Clamping

##### Functions

Function	with valve protection function ; Functions summer operation and forced mode
----------	---

##### Electric current

Bus consumption	10 mA
-----------------	-------

##### Dimensions

Depth of installed product	65 mm
Height of installed product	84 mm
Width of installed product	50 mm

##### Materials

Colour	white
RAL colour	RAL 9010 - Pure white

##### Settings

Comfort temperature setpoint	10 / 30 °C
------------------------------	------------

##### Safety

Frost protection temperature setting	3 / 10 °C
--------------------------------------	-----------

##### Use conditions

Operating temperature	0...50 °C
-----------------------	-----------
