TX511

EIB presence detector with Light Regulation

Technical characteristics

Architecture

Bus system	KNX

Connectivity

Bus system radio frequent	No

Detection

Angle of vertical detection	55 °

Materials

RAL colour	RAL 9010 - Pure white
Material	plastic
Material	PC-ABS
Type of surface treatment	Other

Installation, mounting

Maximum Mounting Height	4 m

Equipment

Number of channels	1
Angle of horizontal detection	360 °
