

TXA023

Weekly time switch 2 channels with DCF

Technical characteristics

Architecture

Bus system	EIB
------------	-----

Functions

Function	DCF compatible via radio antenna ; Functions e.g. switching, dimming, blinds, light scenes, heating, operating modes, date, time
----------	--

Connectivity

Bus system radio frequent	No
---------------------------	----

Electric current

Bus consumption	4 mA
-----------------	------

Dimensions

Depth of installed product	97 mm
----------------------------	-------

Height of installed product	85 mm
-----------------------------	-------

Width of installed product	36 mm
----------------------------	-------

Power

Total power loss under IN	0.3 W
---------------------------	-------

Dissipated energy in cable	1 W
----------------------------	-----

Materials

RAL colour	RAL 7035 - Light grey
------------	-----------------------

Connection

Type of connection	with screw
--------------------	------------

Type of connection	with screw terminals
--------------------	----------------------

Settings

Summer / Winter time change	automatic
-----------------------------	-----------

Shortest switching time	1 mn
-------------------------	------

Type of programming	digital
---------------------	---------

Equipment

Number of channels	2
--------------------	---

Supply failure reserve	lithium battery
------------------------	-----------------

Use

Cycle	weekly
-------	--------

Use conditions

Subject to technical modifications
