

TXB304

**IP20**

### Binary input 4 fold, flush mounted, KNX

#### Technical Characteristics

Bus system	EIB
Fixing mode	flush-mounting
Supply voltage	30V DC via Bus
Dimensions (LLxwwxhh)	38 x 35 x 12 mm
Number of modules	0
Colour	stone grey
Material	plastic
Type of connection	with pre-assembled cable
Protection index IP	IP30
Operating temperature	0...45 °C
Designation syntax: Core designation/function	Interface
