

TYF120

KNX/IP Interface, 2 modules, IP20

Technical characteristics

Architecture

Bus system	KNX
------------	-----

Connectivity

Bus system radio frequent	No
---------------------------	----

Electric current

Bus consumption	10 mA
-----------------	-------

Connection

Connection type	TG008 (bus and supply voltage) / RJ45 (Ethernet)
-----------------	--

Safety

Protection index IP	IP20
---------------------	------

Use conditions

Operating temperature	-5...45 °C
-----------------------	------------
