

WFDP50NBSB

50A Double Pole Switch 1 Gang with LED Indicator Brushed Steel Black Insert

Technical characteristics

Configuration

Switch mode	2pole
-------------	-------

Dimensions

Depth	39.6 mm
Height	86 mm
Width	86 mm

Materials

Colour	stainless steel optics
Material	stainless steel

Scope of delivery

Component	with 2 fixing screws M3.5 x 20 mm
-----------	-----------------------------------

Equipment

Lighting	with control LED for ON
----------	-------------------------

Use conditions

Insert	insert, black
