

WFDP84NBSB

20A Double Pole Switch with LED Indicator Brushed Steel Black Insert

Technical characteristics

Configuration

| | |
|-------------|-------|
| Switch mode | 2pole |
|-------------|-------|

Dimensions

| | |
|--------|---------|
| Depth | 32.8 mm |
| Height | 86 mm |
| Width | 86 mm |

Materials

| | |
|----------|------------------------|
| Colour | stainless steel optics |
| Material | stainless steel |

Scope of delivery

| | |
|-----------|-----------------------------------|
| Component | with 2 fixing screws M3.5 x 20 mm |
|-----------|-----------------------------------|

Equipment

| | |
|----------|-------------------------|
| Lighting | with control LED for ON |
|----------|-------------------------|

Use conditions

| | |
|--------|---------------|
| Insert | insert, black |
|--------|---------------|
