

WFDS2PS

#### Technical characteristics

##### Main electrical features

Frequency	50/60 Hz
-----------	----------

##### Voltage

Operating voltage	240 V AC
-------------------	----------

##### Connection

Type of load	inductive
--------------	-----------

##### Scope of delivery

Component	with 2 fixing screws M3.5 x 20 mm
-----------	-----------------------------------

##### Equipment

Dimming principle	phase cut-on
-------------------	--------------
