

WFSU83PBB

13A FCU Unswitched Polished Brass Black Insert

Technical characteristics

Main electrical features

Frequency	50/60 Hz
Rated current	13 A

Dimensions

Height	86 mm
Width	86 mm

Materials

Material	stainless steel
----------	-----------------

Standards

Standard	BS 1363-4
----------	-----------

Safety

Protection	to protect downstream loads
------------	-----------------------------

Use conditions

Insert	insert, black
