

WMGFU13PSW

13A Fuse Carrier Polished Steel White Insert

Technical characteristics

Main electrical features

Rated current	13 A
---------------	------

Dimensions

Depth	32 mm
Height	60 mm
Width	25 mm

Materials

Material	duroplastic
----------	-------------

Standards

Standard	BS 1363-4
----------	-----------

Safety

Protection	to protect downstream loads
------------	-----------------------------

Use conditions

Insert	insert white
