

WMSSU83N

13A FCU Switched with LED Indicator

Technical characteristics

Main electrical features

Rated current	13 A
---------------	------

Dimensions

Depth	30.3 mm
Height	86 mm
Width	86 mm

Materials

Colour	white
--------	-------

Equipment

Lighting	with control LED for ON
----------	-------------------------

Standards

Standard	BS 1363-4
----------	-----------

Safety

Protection	to protect downstream loads
------------	-----------------------------
