

WMSU83

13A FCU Unswitched

Technical characteristics

Main electrical features

Rated current 13 A

Fuse

Fuse with ceramic fine fuse F 13A

Dimensions

Depth 25.2 mm

Height 86 mm

Width 86 mm

Materials

Colour white

Cable

Wiring with double earth connection

Scope of delivery

Component with 2 fixing screws M3.5 x 30 mm

Standards

Standard BS 1363-4

Safety

Protection to protect downstream loads
