

WRDS1BS

1 Gang Dimmer Switch 400W Brushed Steel

Technical characteristics

Main electrical features

| | |
|-----------|----------|
| Frequency | 50/60 Hz |
|-----------|----------|

Voltage

| | |
|-------------------|----------|
| Operating voltage | 240 V AC |
|-------------------|----------|

Materials

| | |
|----------|-----------------|
| Material | stainless steel |
|----------|-----------------|

Connection

| | |
|--------------|-----------|
| Type of load | inductive |
|--------------|-----------|

Equipment

| | |
|-------------------|--------------|
| Dimming principle | phase cut-on |
|-------------------|--------------|
