

WRSU83BSW

13A FCU Unswitched Brushed Steel White Insert

Technical characteristics

Main electrical features

Rated current	13 A
---------------	------

Fuse

Fuse	with ceramic fine fuse F 13A
------	------------------------------

Dimensions

Height	86 mm
--------	-------

Width	86 mm
-------	-------

Cable

Wiring	with double earth connection
--------	------------------------------

Scope of delivery

Component	with 2 fixing screws M3.5 x 20 mm
-----------	-----------------------------------

Safety

Protection	to protect downstream loads
------------	-----------------------------

Use conditions

Insert	insert white
--------	--------------
