## IP66 13A Double Pole Switched Fused Connection Unit with Flex Outlet

### Technical characteristics

#### Electric current

Rated current	13 A
---------------	------

#### Voltage

Rated voltage	250 V
---------------	-------

#### Materials

Colour	Light grey
--------	------------

Material	Polycarbonate (PC)
----------	--------------------

Surface finish	Glossy
----------------	--------

#### Safety

Ingress Protection (IP) class	IP66
-------------------------------	------

#### Equipment

Connector/plug type socket outlet	British Standard
-----------------------------------	------------------

#### Texts

Installation mode	For surface mounting
-------------------	----------------------

Protection	To protect downstream loads
------------	-----------------------------
